

MANUFACTURER'S LIMITED WARRANTY

Effective January 1, 2021

Products manufactured by Dayco are warranted to be free from defects in material and workmanship under normal operating conditions of recommended usage for a period of 12 months after installation or 12,000 miles/19,200 kilometers of use, whichever occurs first.

Dayco's liability under this warranty is limited to the purchase price of, at its option, the repair or replacement of any product which is determined to be defective upon return to Dayco. Transportation charges to be prepaid, with Dayco's prior written authorization. This warranty does not apply to any product which has been improperly installed, maintained, or has been subjected to improper operation or use.

EXCEPT AS EXPRESSLY STATED ABOVE, DAYCO MAKES NO WARRANTY, EXPRESS OR IMPLIED, WHETHER OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OR USE, OR ON ANY PARTS OR LABOR FURNISHED DURING THE SALE, DELIVERY OR SERVICING OF THE PRODUCTS. IN NO EVENT SHALL DAYCO BE LIABLE TO BUYER FOR ANY SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES OR FOR ANY CHARGES OR EXPENSES INCURRED WITHOUT DAYCO'S WRITTEN CONSENT. IN NO EVENT SHALL DAYCO'S LIABILITY UNDER ANY CLAIM MADE BY THE BUYER EXCEED THE PURCHASE PRICE OF THE PRODUCTS.

MANUFACTURER'S EXTENDED WARRANTY PROVIDED WHEN TIMING BELT IS INSTALLED WITH A DAYCO MANUFACTURED TIMING BELT COMPONENT KIT

When a Dayco Manufactured Timing Belt(s) and all items contained within the applicable Dayco Manufactured Timing Belt Component Kit are installed at the same time, Dayco will extend the warranty of the parts to meet the automobile manufacturer's original timing belt mileage replacement interval. If no recommended replacement interval is indicated, usual trade practice calls for replacement at 60,000 miles/96,000 kilometers.

If a Dayco part failure occurs before the mileage replacement interval, (1) return all Dayco Manufactured Timing Belts and Dayco Manufactured Timing Belt Component Kit parts (2) the UPC panel from both the Dayco Manufactured Timing Belt(s) and Dayco Manufactured Timing Belt Component Kit packaging and (3) the sales receipt(s) for parts and or service including mileage at which replacement service was performed to:

Upon receipt, Dayco quality control personnel will inspect the parts to determine if failure is due to possible manufacturing error. If it is determined by Dayco that the timing belt(s) or timing belt kit components are defective and were properly installed on the timing belt system of vehicles other than those used for commercial or racing, Dayco will provide replacement Timing Belt(s) and applicable Timing Belt Component Kit at no charge.

Note: Liability under any expressed or implied warranty is limited to replacement of such merchandise, in no event shall Dayco Products, LLC be liable for any incidental or consequential damages. This warranty is in lieu of all other warranties, expressed or implied, and all other obligations or liabilities on the part of Dayco Products, LLC/Dayco Canada Corp.
